Nothing singular about our pride in Children's Clothing; it's just as complete and varied as our men's goods. We know the value of pleasing the mother as well as the child; the two go hand in hand. A more extensive line from two and a half to sixteen years is not shown in Chicago. In quality and durability they're unapproachable. Bad Policy to Crow

Yet there are many conservative women who never try new ideas; they wait until an article has become the standard to its line—"until it can crow." To those women we want to say that PEARLINE has reached that point; it is now a necessity to millions of homes throughout the land.

INTELLIGENT WOMEN recognize its wonderful cleaning properties—admit that it is the modern soap—that it leaves equal for ALL washing and cleaning purposes—that it effects a saving of time and labor—that by doing away with the worst of the rubbing it does away with the worst of the wear, and besides is absolutely harmless to fabric or hands.

Beware Peddlers and some unscrupulous grocers are offering imitations which they claim to be "the same as Pearline." IT'S FALSE—they are not, and besides are dangerous. PEARLINE is never peddled, but sold by all good grocers. 598 JAMES PYLE, New York.

Low & Perrins' Sauce.

Lea & Perrins, the original and genuine Worcestershire Sauce, has been before the public over half a century. Its great popular favorite, it has long been the standard of comparison and the pretext for counterfeiters, who unscrupulous unscrupulousness, offer to the public imitations in bottles, labeled with a view of getting up. They have not counterfeited the signature of Lea & Perrins, which is on the red label of every genuine bottle, and of which this is a facsimile.

Lea & Perrins

To be sure of obtaining the genuine article, see that the above signature is on the label.
